

Golden Mirror Ritual

✨ Sacred Activation for Abundance & Prosperity

🕯️ What You Need (symbolic and simple):

- A **small mirror** (or simply your reflection)
- A **golden coin** (or anything golden and symbolic)
- A **sheet of paper** and a **gold or golden-imagined pen** 😊
- A **glass of water** (to anchor and purify the energy)

☀️ Steps of the Ritual:

1. Prepare your space

Sit in silence near your mirror. Place your golden object, your water, and your paper in front of you.

2. Look into the mirror

Look at yourself with kindness—not judgment. Recognition.

Then say out loud (or silently):

💬 ***“I am the source. I am the channel. Abundance flows in me and around me.”***

3. Hold the golden coin in your hands

Close your eyes. Imagine it **glowing with golden light**, then say:

💬 ***“This energy is infinite. I am one with the current of prosperity.”***

4. Write an abundance intention

On your paper, begin with:

“Today, I open to..”

Then add a word or desire that vibrates: receiving, creating, sharing, attracting...

5. Drink your glass of water with intention

Feel the golden energy integrating with every sip.

You are now embodying your abundance.

☀️ Repeat for 3 days (or 7 to amplify)

Change your intention each day, but keep the ritual flow:

See yourself. Honor yourself. Activate yourself.

✨ Closing Mantra:

💬 ***“I receive with faith. I give with joy. I am aligned with the magic of Life. Thank you.”***
